Instructions for Infinity Tactics “Basic Handgun” test.

This is the technical part of the test that measures weapon handling and marksmanship skills of the shooter.

1. All serials are shot from the holster
2. Distance: as per requirements in each segment
3. Target: A4 as a body target, A4 folded twice as a head target
4. Scoring zones: A4
5. Total score possible: 40 points
6. Passing score: 32 points

If any of the 4 safety rules are broken, the complete test is a fail.

Scoring the target

- Each round in scoring zone = 1 point
- Each round outside scoring zone = 0 points
- Rounds fired after time limit = 0 points

Procedure	Cumulative round count	Repetitions	Time	Distance
5 rounds	5	x 1	10 s	10 m
1 round	10	x 5	4 s	10 m
1 round, speed reload, 1 round	16	x 3	10 s	10 m
2 rounds + 1 dummy round, malfunction clearance (tap, rack, bang)	20	x 2	10 s	10 m
2 rounds, emergency reload, 2 rounds	28	x 2	10 s	10 m
90° turn right, 1 round	31	x 3	4 s	10 m
90° turn left, 1 round	34	x 3	4 s	10 m
3 rounds	37	x 1	10 s	15 m
1 round	40	x 3	2,5 s	7 m

This is the theoretical and practical part of the test that measures basic safety rules, understanding the fundamentals of shooting and handgun safety.
